

Serving Chicagoland's HVAC community since 1971

Manufacturer's representative for the following companies:

Aerovent

Centrifugal blowers, plug fans, mixed flow fans

Air Balance

Louvers, dampers, fire, fire/smoke dampers

Air Distribution Concepts

Fabric duct

Air Guard

Filters, housings

Air Quality Control

Dust collectors, hose reels

Fume arms

ATCO

Flexible duct (UPC 30, 50, 70 in stock)

Berko

Electric heating equipment

Buckley Air Products

Bellmouth & Air Tight takeoffs, access doors

Combustion Research (Reflect-O-Ray)

Gas fired infrared heating systems

Vacuum assist and naturally vented

Commercial Acoustics

Sound attenuators

Acoustical panels

Envira- North

Up to 20' diameter ceiling fans, similar to BIG ASS

Flow Measurement Technologies

Air flow measuring stations; thermal dispersion type

Humidity Source

Electric cylinder type humidifiers

Kees

Kitchen hoods, custom GRD's

MUA units

Jenco Fan (formerly Jenn Air)

Centrifugal & axial & prop fans

Utility sets & intake/relief vents

Markel

Electric duct heaters

Electric heating equipment

Mars Air Systems

Heated & unheated air curtains

MetalForm

Louvers & dampers

National Systems of Garage Ventilation

Vehicle exhaust ventilation equipment

Plastec

Corrosion resistant plastic fans

Prefco Products

Fire, fire/smoke control dampers

Siemens

Starters

Controls, damper actuators

Tjernlund

Variable speed draft control systems

Combustion air fans/controls

Variable speed dryer exhaust systems

Toxalert

Gas detection/refrigerant monitoring systems

Calibration & startup services

Tuttle & Bailey (sister div. to Krueger/Titus)

Grilles, registers & diffusers

VAV boxes

Warren Technologies

Electric duct heaters

Yaskawa

Variable frequency drives
